FACTS SUPPORTING PROBABLE CAUSE

6. On October 5, 2020, Columbus Division of Police (CPD) Officer Scott Gibson was working uniform special duty at the Lowe's store located at 3899 S. High Street, Columbus, Ohio. Officer Gibson observed a Dodge Ram truck parked in the Lowe's parking lot. Officer Gibson conducted a registration check on the truck and learned the dealer plate was reported as replaced. As such, a police officer may confiscate the plate on behalf of the registrar. Based on his experience and training, Officer Gibson identified the registration violation to be an indicator of a possible stolen vehicle. Officer Gibson requested a regular duty uniform patrol officer to assist with a possible stolen vehicle investigation.
7. Shortly thereafter, Officer Gibson observed two males approach the Dodge Ram truck. One male remains unidentified, hereinafter referred to as UM, and one was later identified as Justin Andrew HOWARD. HOWARD approached the truck and used a key fob to unlock the truck. Officer Gibson asked HOWARD if he owned the truck. HOWARD affirmed that he was the owner and stated that he had a title at home. Officer Gibson told HOWARD the truck could not be moved until proof of ownership was verified. HOWARD and UM walked away from Officer Gibson and got into a second vehicle that was in the parking lot. HOWARD then exited the second vehicle and approached the truck while UM remained in the second vehicle. HOWARD entered the passenger side of the truck against Officer Gibson's orders to stay out of the truck. Officer Gibson opened the driver's door of the truck and observed HOWARD grab a bag from the backseat and remove it from the truck. UM then drove the second car through the parking lot and parked directly next to the truck. HOWARD then got into the second car, taking the bag from the back seat with him. UM and HOWARD then fled from the area in the second vehicle.
8. Officer Gibson and assisting CPD patrol officers located three different vehicle identification numbers (VIN) on the Dodge Ram vehicle: the dash VIN returned to a 2017

Jeep and the door VIN returned to a 2010 Dodge Charger. A frame VIN returned to the actual vehicle and revealed the vehicle to be reported as stolen by the Fairfield County (Ohio) Sheriff's Office.

9. Officers then conducted an administrative inventory of the vehicle in accordance with CPD procedures. A credit card issued to Justin HOWARD was located inside the truck. Officer Gibson viewed photographs of HOWARD and confirmed HOWARD to be the male that had keys to the truck and removed the bag from the truck. A large bag of methamphetamine was additionally located during the administrative inventory. The truck was towed to CPD impound and stored at the city impound lot.
10. On October 21, 2020, CPD Detective Patete presented a search warrant to Honorable Jodi L. Thomas of the Franklin County Municipal Court requesting authorization for a search of the Dodge Ram. Judge Thomas reviewed the search warrant and supporting documents and issued the search warrant.
11. Detective Patete immediately executed the search warrant and conducted a thorough search of the truck. An H&R .32 caliber revolver and a bag of fentanyl was located inside the truck.
12. The methamphetamine and fentanyl that was seized from the Dodge Ram was submitted to the Columbus Police Crime Laboratory and was confirmed to be approximately 425.435 grams of methamphetamine and approximately 59.227 grams of fentanyl.
13. The H&R revolver that was seized from the Dodge Ram was submitted to the Columbus Police Crime Laboratory and was found to be in operable condition.
14. Based upon my experience and training, I am aware that the above quantities of methamphetamine and fentanyl possessed by HOWARD are distribution quantities.
